

Callan Park your plan

WORKSHOP 1 COMMENTS: MENTAL HEALTH

Comment	Discussion Paper Theme	Author	Column
• The age and condition of the former mental health facilities	Mental Health	Master Plan Team	Issue
• The position of State and/or Federal Government	Mental Health	Master Plan Team	Issue
• The suitability of current buildings for a given mental health use	Mental Health	Master Plan Team	Issue
• The type of mental health service provision proposed	Mental Health	Master Plan Team	Issue
• All existing NGO's which are recognised speak on behalf of people with mental illness and have a paternalistic historical framework	Mental Health	Participants	Issue
• But State/Federal government still doesn't fund expansion of services so there is no on-ground delivery	Mental Health	Participants	Issue
• Callan Park a perfect site for mental health services	Mental Health	Participants	Issue
• Coalition parties have stated they want mental health facility	Mental Health	Participants	Issue
• Continued traditional uses for care for mental illness	Mental Health	Participants	Issue
• Defining what type of mental health services should be provided on site	Mental Health	Participants	Issue
• Develop medium and long term mental care	Mental Health	Participants	Issue
• From 1877 it has been a mental health hospital – maintain it	Mental Health	Participants	Issue
• Funding commitment historically inadequate	Mental Health	Participants	Issue
• Historically Callan Park has always provided housing for mental health patients	Mental Health	Participants	Issue
• Immediate beds could be provided for mental health care – wards 16/17/18 could be made available for 170 beds for only \$60M less than the price of Concord hospital	Mental Health	Participants	Issue
• Integrated Mental Health facilities (integrated with the rest of the site)	Mental Health	Participants	Issue
• Introduce training/research area for mental health	Mental Health	Participants	Issue
• McGorry's heralding of havens 'as yet unknown' is important to consider	Mental Health	Participants	Issue
• Mental health services currently inadequate in the region i.e. a need exists	Mental Health	Participants	Issue
• Mental health services valid activity on the site	Mental Health	Participants	Issue
• Need to define what mental health facilities	Mental Health	Participants	Issue
• Need to provide ways of integrating mental health issues into community	Mental Health	Participants	Issue
• New uses to explore: today (26 June) on 'by design' (abc radio national) they referred to 15 th Century hospitals still in use in Italy	Mental Health	Participants	Issue
• People with mental illness have things to contribute and are not consulted directly	Mental Health	Participants	Issue
• Previous use does not give priority over other uses	Mental Health	Participants	Issue
• Some accommodation for people with mental health issues	Mental Health	Participants	Issue
• STIGMA – Them and Us attitudes of well meaning people	Mental Health	Participants	Issue
• Temporary support/assistance	Mental Health	Participants	Issue
• The 1990 buildings require minimum upgrade	Mental Health	Participants	Issue
• The community is supportive	Mental Health	Participants	Issue
• The master plan reflects this	Mental Health	Participants	Issue
• They struggle to come to terms with empowerment and the reality that people can and do recover	Mental Health	Participants	Issue
• they fail to grasp recovery oriented service provision and reintegrations/empowerment etc	Mental Health	Participants	Issue
• Council is supportive of mental health services on site	Mental Health	Master Plan Team	Opportunity
• The Callan Park Act would permit this use either in a public or privately funded capacity	Mental Health	Master Plan Team	Opportunity
• The grounds and gardens in Callan Park add value to therapeutic processes	Mental Health	Master Plan Team	Opportunity
• There are already NGO's located on Callan Park with experience in treating people with mental health issues	Mental Health	Master Plan Team	Opportunity
• There is a long association of mental health use on Callan Park	Mental Health	Master Plan Team	Opportunity
• There is community support for mental health facilities	Mental Health	Master Plan Team	Opportunity
• 'Cornucopia Café' model can be replicated on the site	Mental Health	Participants	Opportunity
• 'Cornucopia' nursery in Gladesville provide a model	Mental Health	Participants	Opportunity
• Accommodation	Mental Health	Participants	Opportunity
• Acute care patients at Condord Hospital are difficult to access	Mental Health	Participants	Opportunity
• Better paths for walking	Mental Health	Participants	Opportunity
• Bring back Spike Milligen – we need a famous ambassador for mental health	Mental Health	Participants	Opportunity
• Callan Park would be a wonderful venue for the mental health groups	Mental Health	Participants	Opportunity
• Carefully plan addressing stigma – direct contact with edu/culture/community rather than being siloed and separate	Mental Health	Participants	Opportunity
• Centre of Mental Health excellence	Mental Health	Participants	Opportunity
• Clients working in community organizations – KPI a proportion of consumers employed, trained etc	Mental Health	Participants	Opportunity
• developing and maintaining the site	Mental Health	Participants	Opportunity
• Community activities (e.g. city farm function) acts as preventative service	Mental Health	Participants	Opportunity
• Community Arts Centre for people with mental health issues	Mental Health	Participants	Opportunity
• Community care could be doing this work	Mental Health	Participants	Opportunity
• Community embracing of mental health facilities is in itself a great opportunity	Mental Health	Participants	Opportunity
• Consider bringing together the Arts facility and mental health facilities	Mental Health	Participants	Opportunity
• Creating mentoring and skills sharing facilities – community gardens	Mental Health	Participants	Opportunity
• Creative arts space prioritised for those with mental health	Mental Health	Participants	Opportunity
• Define 'mental health facilities'	Mental Health	Participants	Opportunity
• Domestic violence / NGO's	Mental Health	Participants	Opportunity
• Drug & Alcohol	Mental Health	Participants	Opportunity
• Explore possibility of using existing cottages on Wharf Road and those below Ambulance centre for residential post acute care (as in the past) – funded by State or Federal Government??	Mental Health	Participants	Opportunity
• Have mental health theme through Master Plan retained	Mental Health	Participants	Opportunity
• Health and wellbeing including mental health residents – a healing place for all	Mental Health	Participants	Opportunity
• Help to support those with mental health issues	Mental Health	Participants	Opportunity
• Improve access and exercise opportunities for mental health patients	Mental Health	Participants	Opportunity
• Include long term non acute & hostel care & rehab, respite care	Mental Health	Participants	Opportunity
• Integrate	Mental Health	Participants	Opportunity
• Integrated with other park activities	Mental Health	Participants	Opportunity
• Link with the College of the Arts	Mental Health	Participants	Opportunity
• Men's shed	Mental Health	Participants	Opportunity
• Mental health (in its broadest meaning) should be a guiding principle for all activities on the site	Mental Health	Participants	Opportunity
• More acute care facilities needed	Mental Health	Participants	Opportunity
• NGO's need extra dedicated bed facility for 'Our Place' in Enmore	Mental Health	Participants	Opportunity
