

HELP US WITH MASTER PLANNING CALLAN PARK BY CONTRIBUTING YOUR PERSONAL VIEWS ON THESE KEY PROJECT PRINCIPLES

Callan Park is a unique site that is protected by a unique piece of legislation: the Callan Park (Special Provisions) Act 2002.

To progress the Master Plan, we need to consolidate all your initial feedback into Project Principles which will guide our work. The draft Project Principles presented here are based on the 5 objects of the Callan Park (Special Provisions) Act 2002 - the legislation which describes what can and can't be done at Callan Park.

We'll use your feedback during this stage to develop specific objectives by which the community can judge the success of the 2010 Master Plan for Callan Park.

OBJECTS OF THE CALLAN PARK ACT	(a) to ensure that the whole of Callan Park remains in public ownership and subject to public control, and	(b) to ensure the preservation of the areas of open space at Callan Park that were in existence immediately before the commencement of this Act, and that extend to and include the foreshore of Iron Cove on the Parramatta River, and	(c) to allow public access to that open space, including the foreshore, for public recreational purposes of both an active and a passive nature, and	(d) to preserve the heritage significance of Callan Park, including its historic buildings, gardens and other landscape features, and	(e) to impose appropriate controls on the future development of Callan Park.
